

User Generated Content Policy – LetsChat

Effective Date: 28 April 2024

1. Overview

LetsChat allows users to create and share content including messages, media, and interactions. This policy governs how user-generated content is handled on the platform.

2. User Responsibility

Users are responsible for the content they post on the LetsChat platform and must follow platform policies.

3. Prohibited Content

- Illegal content
- Offensive or abusive material
- Copyright infringement
- Fraudulent or misleading information

4. Content Moderation

LetsChat uses automated systems and manual moderation to review content shared on the platform.

5. Content Removal

LetsChat reserves the right to remove any content that violates platform policies without prior notice.

6. Account Actions

- Content removal
- Temporary suspension
- Permanent account termination
